Foundation for Inner Par. Paperback. Book Condition: New. Paperback. 210 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. Emotional Intelligence is necessary for success in everything. When you are able to manage your emotions, you are in control and not being taken over by the demons of stress! On the golf course or in life, those who attain success and mastery are those who are able to manage their emotions when circumstances are not so cordial. Easier said than done, right? Well, the connections golf-pro Charlotte McGinnis and co-author Gene Bogart make are nothing short of revelatory, and put the power of golf and life into your own hands. Full of wisdom and spiritual insight, McGinnis and Bogart take the teachings of the world-renowned text *A Course in Miracles* and apply them to the game of golf with staggering results. *A Golf Course in Miracles* is not the kind of book that needs to be read in one continuous flow. It can, to be sure; but it can also be read a little here, a little there, as it is in many ways a series of essays on various topic areas of golf, and life, and the nature of the universe itself. It is intended to be lighthearted even humorous at times and is uplifting, motivational, and inspiring throughout. Divided into twenty-seven holes, the authors break down the mental checklist of all golfers a list that mirrors the same thought processes of life and teach a new way of seeing and experiencing that is full of peace and understanding. When applied, they create an aura of calm no golf ball or any other outside influence can penetrate. With over fifty combined years of studying, teaching, and applying spiritual and holistic practices, McGinnis and Bogart use golf as a metaphor for life in a book that is surely not for golfers only....
