## PRACTICAL LEXICOGRAPHY: A READER (PAPERBACK)

Oxford University Press, United Kingdom, 2008. Paperback. Book Condition: New. 244 x 170 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book collects and introduces some of the best and most useful work in practical lexicography. It has been designed as a resource for students and scholars of lexicography and lexicology and to be an essential reference for professional lexicographers. It focusses on central issues in the field and covers topics hotly debated in lexicography circles. After a full contextual introduction Thierry Fontenelle divides the book into twelve parts - theoretical perspectives, corpus design, lexicographical evidence, word senses and polysemy, collocations and idioms, definitions, examples, grammar and usage, bilingual lexicography, tools and methods, semantic networks, and how dictionaries are used. The book is fully referenced and indexed. The reader may be used independently for reference or as reading material for a course of study. It is an essential companion for The Oxford Guide to Practical Lexicography by Sue Atkins and Michael Rundell, published by OUP in 2008.
