Every page shows robust common sense expressed in a clear style. . . . We imagine that Mr. Speed is an admirable teacher, and cordially recommend his treatise. - Athenceum. This classic approach to the dynamics of drawing by a brilliant teacher is filled with insights and practical advice on line drawing, mass drawing, visual memory, materials, and much more. This book emphasize on learning artistic drawing rather than mechanical drawings traditionally followed by most of the schools. The objective of teaching of drawing will be to guide the student and not to suppress the creativity of students by over teaching.
