Trafford Publishing, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.It is no accident that Prudence Lucky, the luckiest girl in Luckyville, is a mere five-year-old. It is also no accident that Prudence ends up depositing a whopping \$450,000 in a money-market account due to using her newly acquired allowance money to set up a lemonade stand at the local farmer s market during summer break. Unlike the rest of the people in her hometown-all of whom have bought into silly superstitions and old wives tales, foolish traditions, and a deeply rooted bad luck mentality that keeps them locked into a bad luck syndrome-Prudence Lucky is prudent enough to understand one vital dynamic: you are a sum total of what you deliberately say, think about, hear, read, and meditate on 24 hours a day, 7 days a week, 365 days of the year- 366 in leap year! If you are sick and tired of living from paycheck to paycheck day after day and you would love to attract infinite wealth and acquire a higher income status, irrespective of what is taking place in the global economy, this exciting children s book is a must read!.
