This is a simple record of my days and nights, my thoughts and dreams, in the mystic isles of the South Seas, written without authority of science or exactitude of knowledge. These are merely the vivid impressions of my life in Tahiti and Moorea, the merriest, most fascinating world of all the cosmos; of the songs I sang, the dances I danced, the men and women, white and tawny, with whom I was joyous or melancholy; the adventures at sea or on the reef, upon the sapphire lagoon, and on the silver beaches of the most beautiful of tropics. In this volume are no discoveries unless in the heart of the human. I went to the islands below the equator with one thought-to play. All that I have set down here is the profit of that spirit.
