Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, The Abuse of Older People: A Training Manual for Detection and Prevention (2nd Revised edition), Jacki Pritchard, Eric Sainsbury, 'This book has certainly stood the test of time, and now in its second edition, it continues to hold its own in the under-researched and grossly underestimated world of elder abuse. One of the main pleasures of the book is that it is written by an author who really understands the practicality of identifying, intervening and the continued support of the abused and the abuser from a multi-disciplinary perspective. The layout is clear and highly user-friendly, and this clarity is reflected through the jargon-free choice of language. What really sets the book apart from the others on the shelf is the exquisite way Pritchard uses situational analyses, vignettes and case studies to illustrate the essential skill needed by workers. It is an essential reference for any practitioner working within the community or hospital setting where older people are encountered.' - Nursing Times 'This well researched, informative book deals with a complex subject, but the author covers the issues thoroughly and manages to raise the reader's awareness of elder abuse. This book would be of use to anyone working with elderly people in a hospital or community setting. Students would find it easy to understand and full of useful learning material. The book is highly recommended to anyone working in this important area.' - Therapy Weekly '[The author's] reputation guarantees a large and diverse readership. The uniqueness of this book comes in the second part. The seven activities have combinations of learning objectives, learning activities, trainer activities, assessment, student activities and suggested reading. Workers engaged in all forms of training will find this book an invaluable aid.' - Community Care 'An ideal teaching and training resource for those...
