Maria, or the Wrongs of Woman (Paperback)

By Mary Wollstonecraft

Dover Publications Inc., United States, 2005. Paperback. Book Condition: New. 212 x 136 mm. Language: English . Brand New Book. In her classic manifesto *A Vindication of the Rights of Woman*, pioneer feminist Mary Wollstonecraft (1759-1797) embraced an egalitarian social philosophy as the basis for the creation and preservation of equal rights and opportunities for women. In the posthumously published *Maria, or the Wrongs of Woman*, Wollstonecraft drew upon similar reasoning, presented in a fictional framework to illustrate the grim reality of a woman's life in the eighteenth century. Inspired by the writings of Rousseau and William Godwin, her husband and editor, Wollstonecraft was determined to depict the misery and oppression, particular to women, that arise out of the partial laws and customs of society. The tale of a woman locked up in an asylum by her abusive husband, Maria dramatizes the effects of the era's draconian English marriage laws. Combining the spirited rhetoric of a philosophical treatise with a narrative as gripping as any gothic fiction, this is the book that laid the groundwork for modern feminism.

Reviews

A fresh e book with a new viewpoint. It is among the most awesome ebook we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Christelle Stark III

Basically no words to describe. We have read through and i also am sure that i am going to going to read once more once again later on. You may like just how the article writer compose this publication.
