Brilliance Audio, U.S.A., 2008. Audio Book (CD). Book Condition: New. 12mo - over 6¾ - 7¾" tall. Unopened Audio Book still in original plastic. Five hours on four discs. Read by the author. The Buddha was as mortal as you and I, yet he attained enlightenment and was raised to the rank of an immortal. The miracle is that he got there following a heart as human as yours and mine, and just as vulnerable- from the Introduction. Bestselling author Deepak Chopra brings the Buddha back to life in this gripping account of the young prince who abandoned his inheritance to discover his true calling. This iconic journey changed the world forever, and the truths revealed continue to influence every corner of the globe today. A young man in line for the throne is trapped in his father's kingdom and yearns for the outside world. Betrayed by those closest to him, Siddhartha abandons his palace and princely title. Finally alone and face-to-face with his demons, he becomes a wandering monk and embarks on a spiritual fast that carries him to the brink of death. Ultimately recognizing his inability to conquer his body and mind by sheer force, Siddhartha transcends his physical pain and achieves enlightenment. Although we recognize Buddha today as an icon of peace and serenity, his life story was a tumultuous and spellbinding affair filled with love and sex, murder and loss, struggle and surrender. From the rocky terrain of the material world to the summit of the spiritual one, Buddha entertains and inspires ultimately leading us closer to understanding the true nature of life and ourselves.
