Barbarianspy, United States, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.A Factional Memoir of the Gay Life of habu Flying High, Diving Deep provides a three-decade memoir of the gay portion of a male bisexual s awakening to, nearly unfettered enjoyment of, and sometimes bittersweet reflections on the active gay lifestyle on the international scene in the latter third of the twentieth century. The author was a male model and film actor who turned to international intelligence service during the Vietnam War era, a career that started off in the stratosphere as an SR71 photo-reconnaissance jet pilot and moved on to more earth-hugging intelligence and diplomatic service in Asia and the Middle East. Although coming late in his late twenties to the gay scene, the author s sexual encounters and experience blossomed quickly in the exotic, sexually free, risk taking, and pre-AIDS environment of Bangkok, Thailand. Flying High, Diving Deep covers the high points of the author s sexual experiences in twenty-five short stories that are chronologically laid out. These stories take the reader from the author s male-male initiation in Bangkok in the mid 70s through sexual encounters during stints in Japan and the Middle East to the concluding years of the last decade of the twentieth century as he thought his gay life activity was waning, only to be joyfully reawakened. The author provides a no-holds-barred, insightful, never shirking from bittersweet remembrances series of snapshots that move from the free, sensual, anything goes international gay scene through the realities of the horror of AIDS to appreciation for the deep, lasting relationships that arise from the world of men loving men. This is the expanded relaunch of the eXcessica anthology, Flying High. REVIEW: This well-written memoir of...
