William Faulkner and the Southern Landscape Center Books on the American South

By Charles S. Aiken

University of Georgia Press. Hardcover. Book Condition: New. Hardcover. 304 pages. Dimensions: 9.0in. x 6.3in. x 1.2in. Charles S. Aiken, a native of Mississippi who was born a few miles from Oxford, has been thinking and writing about the geography of Faulkner's Yoknapatawpha County for more than thirty years. *William Faulkner and the Southern Landscape* is the culmination of that long-term scholarly project. It is a fresh approach to a much-studied writer and a provocative meditation on the relationship between literary imagination and place. Four main geographical questions shape Aiken's journey to the family seat of the Compsons and the Snopeses. What patterns and techniques did Faulkner use--consciously or subconsciously--to convert the real geography of Lafayette County into a fictional space? Did Faulkner intend Yoknapatawpha to serve as a microcosm of the American South? In what ways does the historical geography of Faulkner's birthplace correspond to that of the fictional world he created? Finally, what geographic legacy has Faulkner left us through the fourteen novels he set in Yoknapatawpha? With an approach, methodology, and sources primarily derived from historical geography, Aiken takes the reader on a tour of Faulkner's real and imagined worlds. The result is an informed reading of Faulkner's life...
