PATRIOT ACT: A REALITY SHOW (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Winner of the Fratti/Newman Award for Political Playwriting. A million dollars to the most patriotic man or woman in America - and America does the voting! Do you love your country? Do you stand united? Do you support our troops? Do you have what it takes to make it to the final round? A man reports to a testing center for his final casting interview. There are a lot of forms to fill out. Then there s his psychological profile, his medical testing, and his background check. The questions never seem to stop. Like the would-be contestant, we don t realize until it s too late that each of the man s answers to his interviewers questions has clicked a lock on his freedom. The frightening thing is that no matter what replies the man (or we) supplies, the judges are likely to interpret them as unreliable and persuade their prisoner that even if he were innocent of any suspected wrongdoing, it is in the country s best interests that he go along with whatever the government declares as truth. Patriot Act is not at all a disposable piece of agitprop likely to fade with the legislation for which it is named. It is a peculiar examination of gullible America s trust in authority that finds us fatally incurious...
