Createspace, United States, 2015. Paperback. Book Condition: New. Workbook. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Disasters can affect any part of the United States at any time of the year, swiftly and without warning. Most people don t think of what to do in the event of a natural disaster or community emergency until it is too late; then they suddenly realize how unprepared they are for the massive changes it can make in their lives. On top of that, local officials can be overwhelmed and emergency response personnel may not be able to reach everyone who needs help right away. Each type of disaster requires clean up and recovery and the period after a disaster is often very difficult for families and can be as devastating as the disaster itself. Families that are prepared ahead of time can reduce the fear, confusion and losses that come with disaster. They can be ready to evacuate their homes, know what to expect in public shelters and how to provide basic first aid. The key to successfully managing any emergency is being prepared ahead of time but even more critical is being informed that an emergency is headed your way. Whether it s a tornado, fire, flood or broken gas line, just having even a few minutes notice can make the difference between life and death. If an emergency or natural disaster occurred in your community, how would you know when to evacuate or avoid affected areas? That s where Reverse 911 comes in. Unlike traditional Emergency Notification Systems that rely on a phone line at your home address or being near a cell tower within affected areas, if you register with a local Reverse 911 system, it will send the most precise warnings...
