

## Next Steps in Literacy Instruction

By Susan Smartt Ph. D.

Brookes Publishing Company. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 10.9in. x 8.5in. x 0.6in. What happens after a formative literacy assessment like DIBELS, TPRI, FAIR, or AIMSweb? How can educators translate the results into targeted interventions and improved reading outcomes? This reader-friendly teaching guide makes the next steps of literacy instruction clear and easy for K-6 educators. Developed by highly respected experts Smartt and Glaser, this book gives readers a specific breakdown of the indicators on today's most popular reading assessments and matches those items with interventions that make a real difference. Next STEPS is everything educators want: designed for use with response to intervention, gives explicit instructions on designing Tier II and Tier III small-group instruction and monitoring student progress; extensively field tested during the nationwide trainings the authors have conducted; organized by the big five ideas identified by the National Reading Panel: phonemic awareness, alphabetic principle, vocabulary, fluency, and comprehension; packed with practice activities directly linked to each big idea; shows teachers how to integrate all five big ideas during instruction, so lessons are well-rounded and comprehensive; based on the latest, most reliable research and best practices; shows educators both how to teach and what to teach to make students better readers. All of...
