

Make Your Child Multilingual !: The 10 Step Success Plan to Raising Bilingual / Multilingual Children (Paperback)

By Silke Rehman

Createspace, United States, 2010. Paperback. Book Condition: New. Workbook. 248 x 198 mm. Language: English . Brand New Book ***** Print on Demand *****. Being raised with an extra language is a gift for life. It means access to another culture, heightened self-esteem, increased career options and more flexible and divergent thinking. Who wouldn't want that for their children? Every family is different. What parents need is not just knowledge about the topic but a step by step approach to apply the knowledge to their specific family situation and put it into practise. Make Your Child Multilingual! empowers you to successfully raise your child with more than one language by leading you through the practical steps of planning your child's language journey. In 10 easy steps you understand the theory, your starting position, myths, most common mistakes and the 10 success factors; ready to apply it all to your specific family situation and choose the best strategies and language ideas for your children. At the end you will hold your own Personal Language Success Plan tailored to the needs of your family. In summary, Make Your Child Multilingual! : * provides exactly the information you need to succeed -...

Reviews

Absolutely among the best publication I have got at any time go through. It really is written in straightforward phrases rather than hard to understand. Its been designed in an extremely straightforward way which is just soon after i finished reading this publication through which basically modified me, alter the way i believe.
