Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.
(Ervin Crona)

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Zone One, Colson Whitehead, A pandemic has devastated the planet, sorting humanity into two types: the uninfected and the infected, the living and the living dead. The worst of the plague is now past, and Manhattan is slowly being resettled. Armed forces have successfully reclaimed the island south of Canal Street - aka 'Zone One' and teams of civilian volunteers are clearing out the remaining infected 'stragglers'. Mark Spitz is a member of one of these taskforces and over three surreal days he undertakes the mundane mission of malfunctioning zombie removal, the rigours of Post-Apocalyptic Stress Disorder, and attempting to come to terms with a fallen world. But then things start to go terribly wrong.
