And this exciting companion to the stories of the hungry caterpillar lets kids just be way cooler because now they can express their feelings about these cute stories in their very own Hungry Caterpillar Journal. First of all, let me get something straight: This is a journal, not a diary and kids can use it to write down and track their very own writing progress. This innovative interactive journal based on the hungry caterpillar stories lets kids express themselves in an exciting new way. In hungry caterpillar journal, kids will be able to ask themself a number of questions involving the hungry caterpillar. This process will help kids develop their cognitive skills and creativity at the same time. This journal book features blank pages for readers to create their own stories, keep their own diaries and journal process, and record their favorites and least faves. Welcome to the wonderful world of the hungry caterpillar and to your kid s daily success inspiration.
