Annick Press Ltd. Board book. Book Condition: new. BRAND NEW, A Button Story, Emil Sher, Cindy Revell, Buttons, buttons, all around! In this colourful board book, the search for a lost button takes a little girl on an adventure. When the button is nowhere to be found, she and her father set out for a store filled with every imaginable kind of button - fancy buttons, funny buttons, bowls brimming with button.soup! She soon finds a suitable replacement, only to arrive home to discover the lost button on the stairs. But that's not a problem at all. The found button is quickly stitched on to join all the other fanciful ones on her sweater. With very few words and brightly coloured illustrations, this story will appeal to toddlers and pre-schoolers. The lilting text makes for a great read-aloud, while every page provides an opportunity to explore concepts, including numbers, colours, and simple prepositions.
