It affects our attitudes, our personal happiness, and it can be a wedge between our closest relationships. It strikes at the heart and consumes its victims, damaging relationships with loved ones, jeopardizing employment and even driving many to addictions and crime. This study has been extensively used inside and outside of prison. Each lesson addresses the heart, using the Bible to reveal the inner motives and hidden roots in men and women. Students are led to a deep relationship with God who provides the ultimate healing. This publication can be used for private or group study. A special teacher's edition is available with a training section for instructors and small group facilitators.
