Wasabi Publicity, Inc. Paperback. Book Condition: New. Paperback. 238 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. Unconventional thinkers change the world. Instead of being celebrated, they are often ostracized. Theirs is the heros journey - to set off on a path of self-discovery, a journey that leads to the expression of their unique gifts. On the path, they often encounter roadblocks or obstacle in the eight areas of life: relationships, career, health and fitness, spirituality, personal growth and development, inner technology, history, and family. In What is Your Roadblock to Fulfillment, Pat Black brings ancient wisdom and unconventional thinking together and identifies techniques to release old patterns which may have served us at one point in our lives, but now have become roadblocks to our own growth, personal fulfillment, and societal contributions. Unconventional thinker turned entrepreneur and philanthropist Pat Black knows that escaping the traps of an analytical mindset and shedding childhood strategies are crucial steps towards the road to personal growth, but that there are many roadblocks to overcome along the road to fulfillment. Through his own observations along that path as founder of The Flourish Summit, an online community designed to empower unconventional thinkers to flourish in the conventional world, and president of The Black Family Foundation, an active partner in philanthropy and leader in helping build vital, prosperous, and sustainable enterprises, he has identified clear ways to overcome the obstacles to fulfillment. In What is Your Roadblock to Fulfillment, unconventional thinkers will discover: The powerful processes Pat used to escape feeling alone, isolated, and outcast as an unconventional thinker Why trying to follow conventional wisdom instead of finding their own path isolates unconventional thinkers even more Steps you can use to identify and shed your own childhood survival strategies Ways to leash your inner unconventional thinker and flourish...
