Infographics for Dummies

By Justin Beegel Mba

For Dummies. Paperback. Book Condition: New. Paperback. 320 pages. Dimensions: 9.1in. x 7.5in. x 0.8in. Create stunning infographics with this hands-on guide! *Infographics For Dummies* is a comprehensive guide to creating data visualization with viral appeal. Written by the founder of Infographic World, a New York City based infographic agency, and his top designers, the book focuses on the how-to of data, design, and distribution to create stunning, shareable infographics. Step-by-step instruction allows you to handle data like a pro, while creating eye-catching graphics with programs like Adobe Illustrator and Photoshop. The book walks you through the different types of infographics, explaining why they're so effective, and when they're appropriate. Ninety percent of the information transmitted to your brain is visual, so it's important to tickle the optic nerves to get people excited about your data. Infographics do just that. Much more exciting than a spreadsheet, infographics can add humor, interest, and flash while imparting real information. Putting your data in graphic form makes it more likely to be shared via Twitter, Facebook, Pinterest, and other social media sites, and the visual interest makes it less likely to be ignored. *Infographics For Dummies* provides a tried-and-true method for creating infographics that tell a story and...
