Quick Guide IV - A Scorecard That Accounts for Mindfulness in Business: A Simple Product and Process for Ceos, Programme Managers and Anyone Wishing to Visualise and Measure Personal, Team or Corporate Success

By Paul C Burr Phd

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Synopsis Superior results come from superior relationships. You forge and strengthen relationships by how, how well and what you do and say. How you come across depends on what s important to you, what you believe about yourself and the task in hand, your intentions, self image and sense of purpose. When you feel good about the above, you go the extra mile . When you feel not good about yourself or what your doing. you probably give and thus receive second best . Top performers are mindful about feeling good most of the time. Moderate performers less so. Quick Guide IV reveals a mindful approach (based on research into top performance) to forge and strengthen business relationships to achieve superior results. Author s Summary When I first pieced together the Mindfulness Scorecard, I called it, The Dashboard for Success. I did so because it illustrates the metaphorical jigsaw pieces required to succeed where most people do not; the what and how top performers differentiate themselves from moderate performers; the what and the how of what top performers...

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
