## THE NO-NONSENSE GUIDE TO TESTOSTERONE REPLACEMENT THERAPY: BOOST YOUR TESTOSTERONE LEVELS (PAPERBACK)

DOWNLOAD

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The tale of Bill Hamzi is a poignant and heartbreaking one about how low testosterone nearly ruined his life. It took him over four years to find a treatment for low testosterone that actually worked. During his four year rollercoaster journey, he learned about the condition through research, reading online men s health forums and medical journals, talking with doctors, trying different medications, and even getting kicked out of doctor s offices for being a difficult patient. When he finally gets the proper treatment he needed, he felt he needed to tell his story. He gathered all four years worth of his research, and packages it all together for the next man suffering from low testosterone. That man could be you. Bill shows you how to recognize the symptoms of low testosterone, lists what your options are in today s medical marketplace, and helps you find the right doctors to get the proper treatment you need. He writes about all the ways that doctors mismanage testosterone replacement therapy, and how you could prevent such instances from happening to you. Men no longer need to wade through junk science, confusing and contradictory information to understand what his treatment options are. Men no longer have to be passive patients who take their doctor s orders as gospel. Starting now, with The No-Nonsense Guide to Testosterone Replacement Therapy, you can be a proactive patient, take back control of your health, and feel like a 20 year old again.
