Escape From Anxiety is a professional and personal compilation of effective, time-tested skills based on modern psychology and energy medicine, ancient eastern methods of mindfulness and spirituality, as well as breakthroughs in the neurosciences. We accept stress and anxiety as normal, says Stress and Anxiety Expert Peggy Sealfon. It isn't. It's a pandemic of our fast-paced culture and it's killing us.literally. According to the American Medical Association, stress/anxiety is a factor in more than 75 of sickness today and causes headaches, sleeplessness, chronic fatigue, pain, decreased effectiveness, and often results in depression and diseases like fibromyalgia, cancer, strokes and heart attacks. Sealfon's empowering and supportive book shows how to easily enter a place of optimum health; reversing aging, increasing efficiency and focus, improving relationships and generally connecting with an integrated state of wellbeing and happiness. Written from the heart, full of practical advice, says Kathryn Leib Hunter, CEO NAMI National Alliance on Mental Illness. World-renowned Yogi Master Amrit Desai says: . . a must-read for anyone seeking fulfillment in their love life, professional life and family life. Author Peggy Sealfon Peggy Sealfon is a Personal Development Coach, Productivity Strategist, Motivational Speaker, and former Journalist who spends her time helping individuals and corporate teams overcome life...
