An excerpt from the PREFACE: THIS work is designed to meet a desideratum which has been long and much felt in practical literature. It purposed to place before the reader a wide variety of plans, ranging from that adapted to the simplest COTTAGE and STREET HOUSE, up to the more pretentious COUNTRY VILLA, and TOWN MANSION. The design or scope of the work comprehends, however, not merely the giving of a series of plans, or suggestions for plans, but also occasional alternative arrangements adapted to one and the same plan; showing how, by altering not only the relative position of the apartments, but parts of the apartments themselves, as position of doors, windows, and fireplaces, certain disadvantages in the one plan may be obviated, and more convenient and more economical arrangements obtained in the other. This antithetical or contrastive mode of treatment, the reader will at once perceive, possesses advantages of a thoroughly practical nature; but which, obvious as they appear when alluded to, have not yet the editor believes formed a systematic feature in any work treating on House Arrangement. In addition to plans of houses of various grades, designs for Out-buildings and Stables are also given. These will be useful as affording hints to those who contemplate keeping, at their Country Houses or Suburban Villas, a small herd of dairy cattle, or a stud of horses. To serve in some measure as practical hints to the Student of Architecture, and to House Proprietors, as affording suggestions for the style of decoration they would like to adopt, a series of examples are given comprising Doors, Windows, Chimneys, and c. Still further to render the work practically useful in all departments,...
