THE AGE OF STAGNATION: WHY PERPETUAL GROWTH IS UNATTAINABLE AND THE GLOBAL ECONOMY IS IN PERIL

Westland Limited, New Delhi, India. Softcover. Book Condition: New. Essential reading for anyone interested in the future of the global economy and their own prospects, The Age of Stagnation incisively explains the problems confronting us, how we are making those problems worse, and what the real solutions are. For ordinary individuals, the goal of a steady job, a home of one's own, a comfortable retirement and a good life for our children is receding. In this brilliantly clear-eyed account, Satyajit Das...

Reviews

It is one of my personal favorite publications. Indeed, it is actually perfect, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, changed the way I believe.

-- **Neal Homenick IV**

An extremely wonderful book with perfect and lucid explanations. This really is for those who state that there had not been a worth reading. Your way of life span will be converted when you comprehensively read this book.

-- **Effie Douglas**

These types of publications are the best books available. It absolutely was written very completely and helpfully. I am very happy to explain how here is the greatest book we have studied within my individual existence and can be the greatest publication for possibly.
