This item is printed on demand - Print on Demand Neuware - Master's Thesis from the year 2010 in the subject Politics - International Politics - Region: Eastern Europe, grade: 1,5, European University Viadrina Frankfurt (Oder), language: English, comment: master paper reviewer: In this master thesis the Author aimed to analyze the legal standards related to the protection of minority rights, external influence on Belarusian authorities and the way of treatment of the Polish minority in Belarus. That goal was reached in an adequate way. The master thesis poses a logical and coherent whole, composed of 5 chapters. One can find innovative elements there. The Author decided to concentrate on the impact of several countries and organizations - the choice should be appreciated. The number and choice of sources is sufficient and correct. , abstract: The master thesis is related to significant problems in contemporary Europe not only from the perspective of Polish people living in Belarus but also from the international perspective. Belarus is arguably the least democratic country in Europe. As such it has posed problems for the EU and other European and Western institutions, especially on...
