Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book is unique, a complete synthesis of the greatest of ideals and illustrating methods to reach those ideals. It has the power to completely alter your perspective about your realities and value system. The book has the power liberate you from your biased views and realities. Positivity and Hope are all we have as hedges against personal and collective decadence. When we lose positivity and hope we lose our humanity. This book shall rekindle hope and together we shall build a bright future in which all shall prosper. You may read the book randomly. If we find that we love to indulge in luxury, in pleasure, boast about how many cars we own and what material achievements we have accomplished, enjoy thoughtless existence from moment to moment, then we have not been educated, and the system has failed us. Education liberates us both individually and collectively, and creates within us the abilities for self-improvement and new creations. It helps us develop a true perspective about ourselves and our roles in the fabric of life. It helps us understand the importance of love, trust and faith in the collective, and work towards collective happiness. It helps us regain our freedom and courage. If an education system fails in any of these then it is not a good education system, and should immediately be replaced. Our education should also lead us to bring a system down when it s no longer conducive to our collective existence. An education system, that doesn t contain the information on how to bring the system down when it is no longer functional, imparts an education that leaves us helpless, grappling...
