Anderson. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 8.8in. x 6.0in. x 0.4in. Social Media is becoming an increasingly important-and controversial-investigative source for law enforcement. This project provides an overview of the current state of digital forensic investigation of Facebook and other social media networks and the state of the law, touches on hacktivism, and discusses the implications for privacy and other controversial areas. The authors also point to future trends. About Forensic Studies for Criminal Justice: The Forensic Studies for Criminal Justice series consists of short-format content on new developments, unique perspectives, or how-to information on areas in forensic science-all specifically designed to meet the needs of the criminal justice community. Instructors wishing to provide their students with more in-depth coverage on certain forensic areas can add these digestible, inexpensive works to their syllabi without having to completely redesign their course, introduce overly complex material, or financially overburden their students. Law enforcement and other criminal justice professionals will find a wealth of valuable information to improve training sessions. Written by experts in the disciplines they are covering and edited by a senior scholar in criminal justice, Forensic Studies for Criminal Justice opens up the world of forensic science to the criminal justice community. Part of a new Anderson series presenting brief works on forensic science, written especially for students and law enforcementSurveys the current state of the digital forensic investigation tools available for social media, looking at legal concerns and pointing to future trendsDiscusses the types of crimes committed using social media, including hacktivism, burglary, malware, cyberbullying, and child exploitation, among othersCase studies of domestic and international social media investigations This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
