Random House Large Print Publishing, United States, 2015. Paperback. Book Condition: New. large type edition. 229 x 152 mm. Language: English . Brand New Book. From the internationally acclaimed author of the Harry Hole novels a fast, tight, darkly lyrical stand-alone novel that has at its center the perfectly sympathetic antihero: an Oslo contract killer who draws us into an unexpected meditation on death and love. This is the story of Olav: an extremely talented fixer for one of Oslo s most powerful crime bosses. But Olav is also an unusually complicated fixer. He has a capacity for love that is as far-reaching as is his gift for murder. He is our straightforward, calm-in-the-face-of-crisis narrator with a storyteller s hypnotic knack for fantasy. He has an innate talent for subordination but running through his veins is a virus born of the power over life and death. And while his latest job puts him at the pinnacle of his trade, it may be mutating into his greatest mistake. . . . From the Hardcover edition.
