A NEW RELIGION FOR A NEW WORLD: A PSYCHOLOGICAL EXPOSITION (PAPERBACK)

Lulu Press Inc, United Kingdom, 2014. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.Designed for a new world defined by the approaching Psychological Age, the new religion embraces many ideas, some traditional, some revolutionary, which are collated into a faith that is largely based on the original Christianity as taught by Christ two thousand years ago, but which has been all but obliterated by the mainstream church. In this brief summary the author outlines his scheme for one religion - the Christian - in which the other world faiths are integrated; this is not a new, or untried, idea, but Hill s approach is original and radical, while being rigorously argued. Many will say such a project is impossible, that religious differences are too great and irreconcilable, but this author, himself a prophet with great experience and knowledge gained by a lifetime s search for enlightenment, has produced a successful analysis of the World Psyche, consisting of the Eastern and Western mentalities taken together.
